Association of Consulting Civil Engineers (India)

Enhancing Civil Engineering Proficiency

A-21, A Block, 2nd Floor, Brigade MM Industrial Complex, K. R. Road, Near Yediyur Circle, Bengaluru - 560 070
Tel : 080-2677 0365, 2677 0366 E-mail : admin@acce.in, accemanager@gmail.com Website : www.acce.in

ACCE (I)

Association of Consulting Civil Engineers (India) was formed and registered under society act in 1985 by a group of Consulting Civil Engineers from Bangalore. At the time of incorporation, it was called Association of Consulting Structural Engineers. The same was renamed in 1987 as Association of Consulting Civil Engineers (India). The main object of the Association is to encourage and foster the ideals of the profession, to hold conferences/meetings/seminars for knowledge dissemination and enhancement of engineering proficiency amongst the Civil Engineers in particular and the society at large.

ACCE(I) with its headquarters at Bangalore, has pan India presence with 9280+ members and 53 Centres formed all over India at Ahmedabad, Akola, Amaravathi(MH), Amaravathi (AP), Bangalore, Bidar, Belthangady, Bhubaneswar, Chandrapura, Chandwad, Chennai, Chidambaram, Coimbatore, Davangere, Delhi, Dharwad, Dhule, Erode, Greater Mumbai, Goa, Hassan, Hubli, Hyderabad, Indore, Karimnagar, Kakinada, Kanyakumari, Karaikudi, Khamgaon, Madanapalle, Madurai, Mandya, Mangalore, Mayiladuthurai, Mysore, Nagpur, Namakkal, Nashik, Palghar, Perambalur, Pune, Puttur, Puducherry, Rajamahendravaram, Salem, Sangamner, Sullia, Thanjavur, Tirupati, Trivandrum, Vijayawada, Vishakpatnam and Warangal.

Objectives of the Association

- To encourage and foster the ideals of the profession.
- To hold conferences/meetings/seminars for dissemination of knowledge amongst the Civil Engineers in particulars and society in general.
- To promote friendship, establish rules for professional and ethical conduct and to develop social awareness and responsibility amongst the members.
- To bring the latest technological advancements in the world to the members and prepare them to carry out futuristic designs with an eye on assurance of quality.
- To facilitate access to technical papers, books and computer software.
- To arrange lectures by distinguished Engineers / Professionals from India and abroad and conduct study tour of projects.
- To act as spokesman for the Consultants to deal with the Government, Corporations and other agencies regarding policy matters.
- To identity areas in which the Consultants can contribute to the betterment of the country like Rural Housing, Urban Development, Low Cost Housing, Infrastructure development, Economic and Safe Design and Construction Practice, etc.

Governing Council (GC)

The Governing Council of ACCE (I) is a policy making administrative body. It comprises of The President, The Secretary General, The Treasurer, Four Vice Presidents (East, West, North, South), The Chairman of each centre and other co-opted members. The term of GC is two years along with national team.

ACCE (I) Publications

- **ACCE (I) Bulletin** - ACCE (I) publishes a quarterly bulletin emphasising the activities of the Association and topics of relevance to the Civil Engineering fraternity. It is circulated amongst its members, leading organizations and other professional bodies. ACCE (I) Bulletin will also be available in E-format very shortly.
- **Other Publications** - ACCE (I) regularly publishes Technical Booklets, Handbooks, Case studies and other such material which help its members to have that extra competitive edge. Some of the important publications are:
  - Project Management for Developing Countries (Published by Oxford & IBH, New Delhi)
  - Structural Failures - Case Histories (Published by Oxford & IBH, New Delhi)
  - Value Engineering in Project Management (Published by Oxford & IBH, New Delhi)
  - The Infrastructure of the Future : Power, Transportation and Telecommunications (Published by New Age International (P) Ltd., Publishers, New Delhi)
  - Structural Steel Design Hand Book As per Limit State Method of Design conforming to IS 800: 2007 (Published by ACCE (I) 2010)

Regular Activities

ACCE (I) conducts regular activities in all its centers across the nation. Dissemination of knowledge to its members generally happens through well organised & prescheduled programs under different titles such as;

- Technical Evening talks.
- Workshops, Conferences, Conventions, Seminars and Symposia.
- Exhibitions pertaining to construction industry.
- Technical Visits.
- Annual convention focusing on the topic of National Interest.
- Family get together to foster better fellowship among the families of members.
- Placement Orientation Program; emphasising the Industry- Academia Interaction.
- Endowment talks to students emphasizing the topics of recent technology.
- Technical library facility to its members and student members.

Membership Categories

- Associate Member
- Life Member
- Organizational Life Member
- Educational Institute Life Member
- Organizational Annual Member
- Educational Institute Annual Member
- Student Member

(Please visit **www.acce.in** for eligibility criteria and details.
Application forms can be downloaded directly from the website)

ACCE (I) Flagship Events

- **REDECON** - Recent Developments in Design and Construction-by Bangalore Centre of ACCE(I)
- **BUILDMAT** – Exhibition of Construction Industry related materials – by Coimbatore Center of ACCE(I)
- **Student Mentoring Program (SMP) -** Certification Course designed to bring the academia and industry closer.
- **National Awards & Foundation Day** -Celebrating Awards and Recognizing the Achievements
- **NATCON** - National Convention of Civil Engineers

CSR Initiatives so far .....

- ACCE (I) assistance in Flood affected areas of North Karnataka
- Third Party Quality Control & Certification Services for OFC Project.
- Adding Value to Civil Engineering students by bringing them closer to the Industry
- Publishing technical booklets to help the engineering community
- And many more.....

Professional Issues

ACCE(I) has also contributed technically in the revision of BIS codes, National Building Code and continues to be a member of High Powered Committee of Bureau of Indian Standards (BIS). ACCE (I), through Engineering Council of India (ECI), participated in the preparation of “Draft Engineer's Bill”, which has been forwarded to Govt. of India. ACCE (I) is also a Founder Member of ECI-Engineering Council of India and EAG-Engineering Action Group to take forward issues related to engineering fraternity.

ACCE (I) Awards

To give recognition to the Civil Engineering Consultants, Organisations and students, ACCE (I) has instituted awards which are presented every year during the Foundation Day Celebrations. These awards are instituted by the generous contributions by made by the Donors.

- ACCE(I) - BHAGWATI AWARD
- ACCE(I) -SIMPLEX AWARD
- ACCE(I)-L&T ENDOWMENT AWARD
- ACCE(I)-BILLIMORIA AWARD
- ACCE(I)-SOM DATT AWARD
- ACCE(I)-SARVAMANGALA AWARD
- ACCE(I)-NAGADI AWARD
- ACCE(I)-INSWAREB AWARD
- ACCE(I)-JMC AWARD
- ACCE(I)-GAMMON AWARD
- ACCE(I)-L&T FORMWORK AWARD
- ACCE(I)-Er. P T MASE MEMORIAL AWARD
- ACCE(I)-MEGH STEELS AWARD
- ACCE(I)-SHIRODE YASHODEEP AWARD
- ACCE(I) - ASPSDI 'CARE FOR EARTH' AWARD
- ACCE(I)-SCEBA Ma Ps YOUNG EMINENT ENGINEER AWARD
- ACCE(I)-GOURAV AWARD

Future Role

As Nation Builders, we have a tremendous burden on our shoulders. We are endowed with creating a new era which is sustainable, a new dawn where we value our limited natural resources and a new world order where our future generations can breathe a sigh of relief.
